44 Look how you want me now that I dont need you

So, you thought that I would crumble to my knees
 At the first sight of you, crawling back to me
 To whisper "will you leave your man?"
 Cause you swear that this time you can stand by me. I won't stand by you.
 Cause I found a boy who I love more,
 Than I ever did you before,
 So stand beside the river I cried
 And let yourself down!
 Look how you want me now that I don't need you.

I ain't yours for no taking,
 You must be mistaken
 I could never look in your eyes, and settle for wrong
 And ignore the right
 Well I found a boy who loves me more,
 Than you ever did me before.
 So stand beside the river you'll cry
 And let yourself down!
 Look how you want me now that I don't need you.
